GETTING TO THE RESORT FROM THE AIRPORT (Cancun/Chetumal)

Mia Bacalar (our resort) has a reliable transport service, picking up from either Cancun or Chetumal airports. To book this you will need to contact the hotel directly on weddings@hotelesmia.com.mx (Kassandra) and copy in gruposybodas@hotelesmia.com.mx at least 15 days prior to your arrival. Bookings must be prepaid.

Private Round-trip Transfer from the Airport to the Resort

Costs are based on the number of passengers in the vehicle. If you would like to try to coordinate and share transportation with others in the group based on your airline arrival and departure times, please let Andrea in the Intelligent Life office know.

Taxi

You can get a taxi from Chetumal airport to the resort (40 mins max). Using taxis or Ubers from Cancun airport is not recommended as a first choice, but this is entirely up to personal preference.

Other travel options from Cancun

Cancun airport is large and efficient. The best advice is to arrange your transportation to Bacalar well before you get there (reserved and pre-paid) and have very clear instructions on where to meet once you leave the terminal – plus a cell/mobile number to text/WhatsApp with the driver to coordinate. (Please note: There will be other transport operators with signs so go directly to the meeting point arranged with your transport service and look for a sign with your name on it.)

There is also a reasonably priced first class ADO bus that goes from the Cancun airport to Bacalar. It takes much longer and you will need to change buses in Playa del Carmen and then take a taxi from the bus depot in Bacalar to the resort. However this is a safe and viable option (with air conditioning, a bathroom and assigned seats) if you choose not to book the resort transport.

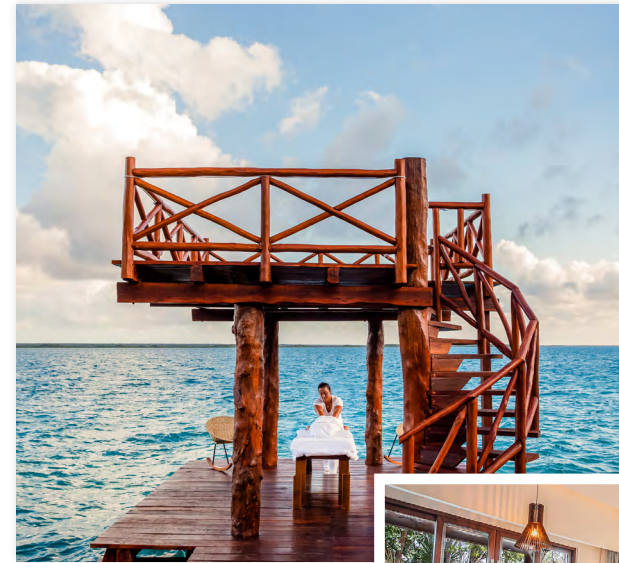

Car Rental

There are car rental operators from both Cancun and Chetumal. This is only recommended if you are planning on an extended stay in the area. There will be no need for a vehicle during the time of our retreat.

EXTENDING YOUR STAY

Accommodation for the retreat is included in the price. If you wish to stay in Bacalar outside of the retreat dates, there are options below.

Additional nights at MIA, Bacalar

If you would like to stay additional nights at the hotel either before or after the event, we have negotiated a special rate of up to 3 days before and after. Please contact the hotel at least 15 days prior to your arrival if you would like to book this and ensure that you state that you are part of the Intelligent Life group.
